

TOP SECRET

Official Diary

Saturday, 13 October 1951

25X1

Had a long discussion with Mr. [redacted] on O/NE. We both feel that Mr. Jackson should survey this office and then O/CI before touching Administration.

25X1

Spoke to the DCI about providing FCDA with NIE 31 and SE 10. He approved. Both these Estimates should be delivered to Mr. Babbitt by hand and his signature should be requested on the receipts.
